## Driving Skill Test Pass / Fail criterion for LMV Vehicles

1.	<b>8 – TEST</b> Marks allotted : 35	a) <b>Standard Directions:</b> In section “8” the standard direction is shown in brown color line  with arrow shown in figure ‘A’ if this direction is followed, 8.75 marks will be given by the system. b) <b>Forward &amp; Reverses:</b> Maximum number of reverses in “8” section test allowed are 2, if performed test within limit 8.75 marks will be given by the system. c) <b>Test Duration:</b> Maximum time allotted for “8” section test is 100 seconds, if performed test within given time and standard directions are followed 8.75 marks will be given by the system. d) <b>Standard Deviations:</b> The Standard track is shown in brown color line.  The system will compare applicant driving pattern shown in with in black color line  with standard track (expected driving pattern). After completing the test, system will compute standard deviation. If overall average deviation is within the limit i.e. less than 1.1 meters, the system will allocate 8.75 marks.
2.	<b>H – TEST</b> Marks allotted : 35	a) <b>Standard Directions:</b> In figure ‘A’ section “H”, standard direction is shown in brown color line  with an arrow and reverse direction in blue color line  . If proper direction is followed, i.e. 1 to 2, 2 to 3 and then 3 to 4, 15 marks will be given by the system. b) <b>Forward &amp; Reverses:</b> Maximum numbers of forwards in “H” section test allowed are five and reverses are four. If performed test within the limits and standard direction is followed 10 marks will be given by the system. c) <b>Test Duration:</b> Maximum time allotted for “H” section test is 160 seconds; if performed test within the specified time and standard direction followed 10 marks will be given by the system.
3.	<b>Five Point Turn Test</b> Marks allotted : 25	a) <b>Standard Directions:</b> Applicant has to enter in ‘Five Point Track’ in forward direction and come out in forward direction then 10 marks will be given. b) <b>Forward &amp; Reverses:</b> Maximum numbers of 5 forwards and 5 reverses are allowed and proper directions followed then 10 marks will be given. c) <b>Test Duration:</b> Applicant has to complete the test within 160 seconds then 5 marks will be given.
4.	<b>Outer Track</b> Marks allotted : 05	Applicant has to enter & exit the test track in forward direction.

Note:

1. Kerb hitting will be treated as failed in the test and no result will be computed for the failed person.
2. Applicant will be considered as failed if vehicle fails due to mechanical or any other reason. It is the responsibility of Applicant to bring good condition.

**Best of Luck for your driving test.**
