Dear *PCR Angamaly,*

Sub: HM&FW Department - COVID 19 - (Corona Virus Disease) - Out Break -
Screening of passengers travelling by Private Buses - Requested - Regarding.

It is to inform you that, WHO declared COVID 19 as pandemic and it will spread either by physical contact with infected patients or his contacts. The symptoms of Corona virus are cough, fever and difficulty in breathing. Government of Andhra Pradesh has made all the required arrangements by establishing isolation beds with equipment, quarantine facilities, screening facilities, Rapid Response Teams for screening and mobilization of the suspected passengers and treatment.

As many passengers travelling by Private buses including popular routes, there may be chances for spreading of the coronavirus through contact with the infected person. Hence, we need to keep watch on the passengers having the symptoms. Such passenger should be educated on basic hygiene like coughing etiquettes. Passengers should also be explained about the "DO'S and DONOT'S" of the virus containment and he or she should be screened at the designated hospitals nearby in the annexed list.

Further, you are requested to instruct the Private bus operators to sanitize passenger buses, utility areas, linen, pickup vans, and offices at frequent intervals. The staff of all the bus operators shall be trained on the virus containment procedures, DO'S and DONT'S. Detailed protocols for sanitization of the buses, utility areas and linen were appended as Annexure II. //
